Bob Choquette the owner of Second To None Meats has been a professional meat cutter for over 25 years. Prior to opening the business on 4th Street he had worked at Calgary Co-op, Sobey's and IGA stores.

The naturally raised beef Bob sells is from ranches that use no hormones or steroids and tastes much better than the mass-produced, conventional beef. His beef is most commonly served in high-end restaurants throughout Calgary. Outside of purchasing the beef in restaurants, it is hard for consumers to find fresh, naturally raised beef in retail stores. That is what makes Second To None Meats unique to the market.

We are proud to have them located within the 4th Street BRZ district!

In addition to beef, Second To None Meats also carry, free-range chicken, Winter's turkey products, fresh bison and elk Gordon's sausages, seafood from North Sea wholesalers, New Zealand and Alberta lamb, Quebec veal and Alberta pork.
