## Thinking About Christmas ?

The 4<sup>th</sup> Street BRZ is starting with plans for a refreshing new Christmas event on 4<sup>th</sup> St.

To improve this year's event we are looking for individuals to be on the organizing committee. We want to hear the suggestions you might have !

Please call our office and talk to Jennifer or Monique.

## Be Part Of Your Business Community !

We are currently in the process of recruiting new members to represent the 4th St. businesses.

There are many benefits to being a Board Member. You will have the opportunity to build strong working relationships with The Calgary City Police, Alderman, City Hall & other business owners. You will receive up to date information on any new developments & have say into future beautification projects. You will also have input in all financial activities including the budget. Additional benefits would allow you to feature your establishment at special events such as Lilac Festival. Elections will be held on Wed Oct 18<sup>th</sup> at the AGM.

Your contribution is valuable and crucial to the vitality of the community. If interested please call the 4<sup>th</sup> Street BRZ office for more details.

## Federal External Advisory Committee On Cities & Communities

The Federal Government appointed External Advisory Committee on Cities and Communities has released *From Restless Communities to Resilient Places: Building A Stronger Future For All Canadians*.

The report provides a long-term vision of the role cities and communities should play in sustaining prosperity and includes a number of recommendations for communities and all levels of government. Visit the Government of Canada online for the full report.
