Wines are as unique and individual as the people who enjoy them. With this concept in mind, the Vin Room proudly offers a setting for people to explore a collection of wines as diverse as themselves. Stocked with the largest and most diverse selection of wines. They encourage guests to experience and learn about wine through sampling. In sampling wine by the ounce or by the glass, you can enjoy the freedom of being able to explore multiple wines before committing to a bottle or glass purchase.

Vin Room also offers a wide range of tapas as you enjoy the stylish surrounds in comfort and relaxation.

Like well traveled guides, the experienced staff is always on hand to answer your questions as you explore and discover wine your way. Experience Vin Room tonight!

2004 - 4th Street Community Update

The 2004 - 4th Street development team is committed to providing the public and stakeholders with project updates. The following is a brief summary for the month of February.

- Construction activity is temporarily suspended as overall project costs are evaluated.
- The construction site will continue to be maintained on a daily basis with daytime supervision and after hours security.
- Fencing and barricades are being monitored to protect pedestrian and vehicular traffic.
- Conditions of the construction site are being monitored by engineers for safety.

Strategic Group is committed to the successful completion of this project and would like to thank all residents for their continued patience and understanding.
