Mark it on your calendars

The 17th Annual 4th Street Lilac Festival Sunday May 28th on 4th Street SW

When the Lilacs bloom (hopefully this year), 4th Street comes alive with sweet sounds, alluring aromas, creative crafts, wonderful wares and people! This "festival of festivals" offers 11 stages of music, almost 600 tables of creative wares and delicious eats while the spirit of the community shines through!

New activities this year include

- We have extended our event to include the beautiful Central Memorial Park and will be programming it with vendors and smooth sounds.
- Pre-Party Saturday night. With the entertainment still top secret the Saturday Night Lilac Kick Off will be on the must attend list. (details coming soon)
- Community Kiddie Kage. The Cliff Bungalow Mission Community will be holding a fun filled kids area at 21st avenue.
